

I'm supporting care workers to stop the spread

Protect to Prevent

Priority testing for social care workers to limit the spread of disease to vulnerable patients and service users. Travel time to/from testing hubs must be paid, as well as mileage expenses incurred. Every worker has the right to a risk assessment.

Protect Health

Guarantee all essential training and personal protection equipment (PPE) to all frontline workers (eg goggles, masks, hand sanitisers, thermometers) in line with Public Health England guidance.

Protect Pay

Full normal pay for all those required by government guidance to self-isolate or who become ill because of Covid 19. This includes all staff on zero-hour contracts, bank/relief contracts or multiple contracts.

Protect Employment

Ensure no-one is dismissed or laid-off for staying at home to care for themselves or their family. Absence due to Covid 19 should be excluded from absence management triggers.

Protect Families

Carers leave on full-pay for workers caring for a dependent who has Covid 19 or for whom childcare is unavailable.
