Wednesday 25 November 2020

12.30pm - 2.30pm

Janine Booth speaks on neurodiversity.

The Network, whilst celebrating its history 365 days a year, is also hosting a special event to celebrate Disability History Month, which runs from Wednesday 18 November to Sunday 20 December 2020.

Guest speaker Janine, will speak on her campaigning for neurodiversity-friendly workplaces.

The term neurodiversity refers to variation in the human brain regarding sociability, learning, attention, mood and other mental functions.

Meeting chaired by
